

PALMIGES

*Patented in Canada, Malaysia and Europe

PALMIGES

PEA 300 mg, Genistein 4 mg, Daidzein 50 mg Capsules

Description :

- PALMIGES counters the condition of Inflammation in Neuropathic Pain resulting in lowering/ alleviating the symptoms of chronic Pain.
- PALMIGES is a composed of PEA, Genistein and Daidzein manufactured in accordance with MPFAITECH technology.
- RITALA is the proprietary blend & is manufactured in Technical Collaboration with ENAVANT Research LLC, USA.
- RITALA and MPFAITECH are the Registered Trademarks of Enavant Research LLC. USA.

Indications :

- Chronic Pain
- Neuropathic Pain
- Diabetic Neuropathy
- Sciatic Pain & Nerve compression pain
- Fibromyalgia
- Trigeminal Neuralgia
- Migraine

PALMIGES contains the following components :

Palmitoylethanolamide (PEA)	<ul style="list-style-type: none">• Palmitoylethanolamide (PEA) is considered an endogenous PPAR- agonist or activator, interacting with this receptor to inhibit inflammatory pathways & oxidative stress.• During chronic pain, PEA can modulate the PPAR pathway that is able to attenuate NFκB induced inflammatory factors (IL-1, or TNF), inhibit infiltration and activation of MC, reduce mesangial matrix proliferation induced by reactive oxidative stress (ROS) which then resulted in albuminuria.
Genistein	<ul style="list-style-type: none">• Genistein, is an FAAH Inhibitor that prevents the degradation of PEA from FAAH enzyme in the body & also exert synergistic effect with PEA to reduce oxidative stress in the over-inflamed neuronal cells.
Daidzein	<ul style="list-style-type: none">• Daidzein belongs to the class of isoflavones and serves as a potent FAAH Inhibitor in conjunction with Genistein. It works as a competitive binder to FAAH disallowing it to degrade the externally supplemented PEA.
MPFAITECH	<ul style="list-style-type: none">• A Technology to ensure the proprietary blend is presented in a form that could be easily absorbed in the human body.

Dosage :

- Standard recommended daily dose of Palmiges is 1- 2 capsules preferably divided over the day
- Or as prescribed by Medical Practitioner
