

An aerial photograph of a dense green forest. A large, irregularly shaped area of the forest has been cleared, revealing brown earth. Several yellow pieces of heavy machinery, including what appear to be bulldozers or excavators, are positioned within the cleared area. The surrounding forest is lush and green, with sunlight filtering through the trees.

Ursodeoxycholic Acid 150 mg and 300 mg Tablets

La Renon

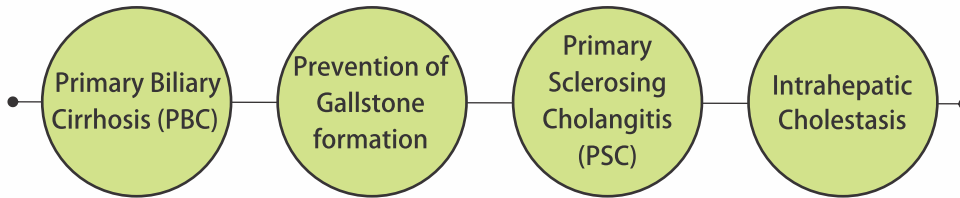

# SEDOGEST

## Ursodeoxycholic Acid 150 mg and 300 mg Tablets

### Description:

- SEDOGEST tablets comes with Ursodeoxycholic Acid 150 mg and 300mg formulation.

### Indication:

### Mechanism of action:

- Ursodeoxycholic acid reduces elevated liver enzyme levels by facilitating bile flow through the liver and protecting liver cells.
- Although the exact process of Ursodeoxycholic acid anticholelithic action is not completely understood, it is thought that the drug is concentrated in bile and decreases biliary cholesterol by suppressing hepatic synthesis and secretion of cholesterol and by inhibiting its intestinal absorption.

### Key Features:

- UDCA delays the progression rate of PBC resulting in decreased need for liver transplantation.<sup>1</sup>
- Treatment of PSC patients with high dose UDCA ( $25 \pm 30$  mg/kg per day) for 1 year led to improved biochemistries and the Mayo risk score.<sup>1</sup>
- UDCA improve maternal itching scores and liver function testes without interfering with the fetoplacental estrogen production in patient with ICP(Intrahepatic Cholestasis of Pregnancy).<sup>2</sup>
- UDCA is well tolerated by pregnant women. No fetal or neonatal side-effects are detected.<sup>2</sup>
- UDCA has been used in the treatment of gallbladder stone as an alternative to cholecystectomy.<sup>1</sup>
- UDCA is an effective and safe alternative to Vitamin E in non diabetic-non cirrhotic Indian NAFLD patients.<sup>3</sup>

### Dosage:

- As Directed by Physician.

### Presentation:

- SEDOGEST 150 mg and 300 mg is available as a strip of 10 Tablets.

### Storage:

- Store in cool and dry place. Protected from light and moisture.
