

BILCOTIV

Ginkgo Biloba 120 mg, N-Acetyl L-Cysteine 300 mg,
L-Arginine 200 mg, Multivitamin & Multimineral Tablets

The *Secret* of Thriving

BILCOTIV

The *Secret* of Thriving

Ginkgo Biloba 120 mg, N-Acetyl L-Cysteine 300 mg,
L-Arginine 200 mg, Multivitamin & Multimineral Tablets

Description:

BILCOTIV contains Ginkgo Biloba 120 mg, N-Acetyl L-Cysteine 300 mg, L-Arginine 200 mg, Magnesium 250 mg, Zinc 12 mg, Vitamin C 40 mg, Vitamin E 8 mg, Vitamin A 600 mcg and Vitamin D2 10 mcg available in Tablet form.

Indication:

- Mild Cognitive Impairment, Dementia & Alzheimer's Disease
- Antioxidant and Anti-inflammatory in Neuropsychiatric Disorders

Clinical Evidence:

Ginkgo Biloba

An herbal remedy for cognitive disorders and Alzheimer's disease (AD) to improve memory and age-related loss of cognitive function.¹

N-Acetyl L-Cysteine

Increases the levels of cysteine/GSH in cells and acts as a scavenger of oxidant species to neutralizes the free radicals.²

L-Arginine

Improves impaired CO₂ reactivity in patients with mild traumatic brain injury and increases the cerebral blood flow.³

Magnesium

It is crucial for nerve transmission and neuromuscular conduction. It protects against excessive excitation causing neuronal cell death (excitotoxicity) and is linked to various neurological disorders.⁴

Zinc

Promotes antioxidant effects, neurogenesis, and immune system responses.⁵

Vitamin A

Supplementation prevent age-related cognitive impairments by maintaining normal vitamin A and glucocorticoid (GC) status.⁶

Vitamin C

Plays a role in the differentiation and maturation of neurons and in the formation of the myelin sheath that protects them and speeds impulse transmission, making the vitamin crucial to cognitive performance.⁷

Vitamin E

Has antioxidant, anti-inflammatory and cholesterol lowering effects.⁸

Vitamin D2

Influence neurotransmitters, neurotrophins, and neurotrophic factors, potentially offers anti-inflammatory and antioxidant effects for neuroprotection and brain health.⁹

Dosage:

One or two Tablet per day or as prescribed by Registered Medical Practitioner.
